Certification Project

✔ Tribute Page

This is one of the required projects to earn your certification.

For this project, you will build a tribute page for a subject of your choosing, fictional or real.

Dr. Norman Borlaug

Dr. Norman Borlaug smiling

Dr. Norman Borlaug, the father of the Green Revolution, in 2004.

Dr. Norman Borlaug was an American agronomist, humanitarian, and Nobel laureate who is often called "the father of the Green Revolution." His work developing high-yielding crop varieties and promoting modern agricultural methods saved millions from starvation and revolutionized farming around the world.
